PROFESSIONAL SUMMARY

Creative writer, screenwriter and narrative developer with 4+ years of experience spanning long-form ghostwriting, theatrical scripts, EPUB production, TikTok creative campaigns and social media content. Developed original narrative IP across epic fantasy, psychological horror, literary fiction and supernatural drama. Specializes in psychologically complex characters, layered story architecture, cinematic scenes, unreliable narrators and lore documentation. Combines narrative craft with editorial production and audience-aware content development.

CAREER HIGHLIGHTS

- **Long-form ghostwriting:** Developed a 420-page contemporary drama/romance novel for Gen Z readers (approximately **105,000 words, estimated**), applying character arcs, voice matching and manuscript-level continuity.
- **Theatre scriptwriting:** Completed one commissioned stage-play project during a four-month freelance engagement, using dramatic beats, stage directions, dialogue revision and production-conscious scene structure.
- **Digital publishing:** Supported EPUB manuscript editing and quality assurance through structured style checks, navigation review and reflowable-text inspection; exact project volume and defect rates **to verify**.
- **TikTok poetry campaign:** Developed platform-native spoken-word concepts and short-form treatments; a **33% above-baseline performance target** is illustrative and requires campaign analytics before being claimed as achieved.
- **Ignite content:** Produced social-first concepts, hooks and captions across a 13-month engagement, maintaining audience and brand-voice alignment; content volume **to verify**.
- **Ignite workflow:** Coordinated ideation, drafting, revision and publishing handoffs to support a consistent editorial cadence; turnaround and delivery metrics **to verify**.

PROFESSIONAL EXPERIENCE

Independent Creative Writer & Narrative Developer | Personal Portfolio | Remote
Aug 2026–Present

- Develop original literary and screen-based IP, with an emphasis on interconnected lore, character-driven conflicts and marketable premises.
- Produced an eight-page fantasy glossary documenting species, magic systems, artifacts, characters and setting continuity for *The Fate of Moramania*.

Social Media Content Creator | Ignite | Remote
Aug 2025–Aug 2026

- Created audience-focused social media concepts, captions and short-form copy, translating campaign objectives into clear narrative hooks.
- Applied brand-voice guidelines, iterative editing and production coordination to maintain a consistent publishing workflow.
- Collaborated on content planning and review; quantitative reach, output and turnaround results remain **unverified**.

Creative Producer — TikTok Poetry Campaign | Profiles Creative | Remote
Feb 2024–Jul 2025

- Conceptualized spoken-word and poetry-driven TikTok treatments using concise scripts, emotional hooks and performance-oriented pacing.
- Adapted literary material for short-form video through creative briefs, script revisions and audience-first storytelling.
- **Illustrative benchmark, not a verified result:** 33% stronger performance than a campaign baseline; requires a defined metric, comparator and analytics evidence.

Freelance EPUB Editor | Upwork (Self-Employed) | Remote
Jul 2023–Jan 2024

- Edited manuscript copy and digital book structures for readability, consistency and reflowable EPUB presentation.
- Reviewed headings, navigation, text formatting and editorial defects through repeatable quality-control checks.

Freelance Theatre Scriptwriter | Upwork (Self-Employed) | Remote
Mar 2023–Jun 2023

- Developed one client-commissioned theatrical script project from brief through dramatic structure, scenes and dialogue revisions.
- Refined stage directions, character motivation and transitions to support clarity for performers and readers.

Junior Ghostwriter | Decentralized Masters | Remote
Feb 2022–Feb 2023

- Ghostwrote a **420-page** realistic Gen Z drama/romance novel with slice-of-life storytelling; estimated manuscript length **~105,000 words** based on 250 words per page.
- Developed character relationships, contemporary dialogue and narrative continuity while adapting to a client-directed voice and revision process.

SELECTED WRITING & NARRATIVE PROJECTS

Epic Fantasy & Supernatural Worldbuilding

- **The Fate of Moramania | Epic Fantasy:** Created a fantasy kingdom with an eight-page reference glossary covering supernatural species, hybrid lineage, magical artifacts, character relationships and lore continuity.
- **Earth & Purgatory | Dark Supernatural Fantasy:** Developed a morally complex protagonist, human–monster conflict and a long-form narrative centered on identity, power and ethical deterioration.

Literary Fiction & Psychological Drama

- **Wild Horses | Coming-of-Age / Literary Fiction:** Designed a Sudan-set story told retrospectively through conversations in 2036, using unreliable memory, social observation and historical context.
- **What Remains of Us | Journal-Format Dark Romance:** Built an intimate first-person narrative around guarded characters, identity, emotional misinterpretation and concealed personal histories.

Psychological Horror & Suspense

- **The Monster in the Woods | Psychological Horror / Mystery:** Developed a compact, twist-oriented premise using limited perspective, escalating danger and deliberate misdirection.

Additional writing samples available on request: *Dante*, *Love Kills*, *One Last Caress*, *Contentment in Outer Space*; script and visual-narrative concepts include *Got to Be Real*, *Hybrid Moments* and *INVADER*.

WRITING STYLE

Character-centered storytelling distinguished by morally ambiguous protagonists, psychologically detailed motivations, naturalistic dialogue and philosophical subtext. Employs nonlinear chronology, unreliable narration, suspense-driven reveals and controlled shifts between intimacy, horror, tragic romance and ensemble humor. Builds coherent speculative settings through documented rules, recurring motifs and long-range continuity; adapts narrative voice and pacing to literary, dramatic and short-form formats.
