Earth & Purgatory

In a world where humanity remains oblivious to the supernatural forces lurking among them, a young man named Sal finds himself caught between two worlds that were never meant to coexist.

Struggling to preserve his humanity while coming to terms with his changing nature, Sal becomes entangled in an ancient conflict between humans and monsters. Determined to end the bloodshed, he sets out to unite the supernatural world under a single authority, believing that peace can be achieved without sacrificing what makes him human.

But as the boundaries between good and evil begin to dissolve, Sal discovers that the greatest monsters are not necessarily the ones hiding in the shadows.

A dark supernatural tragedy exploring humanity, identity, power, and the price of becoming the very thing one seeks to destroy.
